Educator of the Year Award

Nomination Form

Criteria

The nominee fulfills three of the following four criteria:

1. Five or more years of membership in APCE or our partner denominations' educational organizations.
2. Active in Christian education leadership for a minimum of ten years.
3. Visionary, a leader into new frontiers.
4. Formative influence on educational ministry and an advocate for church educators.

Please attach a list of specific examples of how this nominee has demonstrated these distinguishing characteristics. You are encouraged to solicit the endorsements of others in support of this nomination. Remember that the Awards Committee depends on the information you provide in support of the criteria and does not engage in its own research into the worthiness of nominees. This nomination will be considered for three consecutive years, after which time a new form may be submitted if you choose to do so.
