

SONG LIST

2011 APCE Conference – Albuquerque

Here is a list of the songs used at the 2011 Association for Presbyterian Church Educators Conference in Albuquerque, NM. I've ordered them roughly as they appeared during the week of plenary sessions. Where possible, lyrics, sources, and links are included to help you find them and use them in your own worship setting.

Many of you have asked about Beth Whitney, who helped lead our singing during the week and graced us with her arrangement of "Be Thou My Vision" on our last day together. Beth is a singer/songwriter with amazing talent, and you can find her online. www.bethwhitneymusic.com is her website, and you can also get her music on iTunes.

Peace,
Ben Johnston-Krase

You make me new through the power of your love
You make me whole with a grace that I am sure of
I come to you like a little child
You give me back my child smile

Oh I praise your name
And sing a song of thanks
Oh I praise your name
O my Redeemer, O my Redeemer

"Come, Now is the Time to Worship"

Written by Brian Doerksen ©1998 Vineyard Songs

Come, now is the time to worship
Come, now is the time to give your heart
Come, just as you are, to worship
Come, just as you are, before your God, come...

One day every tongue will confess you are God
One day every knee will bow
Still the greatest treasure remains for those
Who gladly choose you now

“Come and Find the Quiet Center”

#2128 in the Presbyterian hymnal supplement, *Sing the Faith*

Words: Shirley Erena Murray

Music: “Beach Spring”

Find the room for hope to enter, find the frame where we are freed.
Clear the chaos and the clutter, clear our eyes that we can see
All the things that really matter, be at peace, and simply be.

Silence is a friend who claims us, cools the heat and slows the pace.
God it is who speaks and names us, knows our being, touches base,
Making space within our thinking, lifting shades to show the sun,
Raising courage when we're shrinking, finding scope for faith begun.

In the Spirit let us travel, open to each other's pain.
Let our loves and fears unravel, celebrate the space we gain.
There's a place for deepest dreaming, there's a time for heart to care,
In the Spirit's lively scheming there is always room to spare.

Let the healing river flow.
Let justice roll like waters.
Let the days begin,
When new life enters in,
And let your kingdom come.

We have AIDS...
